Tasting Notes: Layer very ripe cherry on cover, with strong purple hues in thin layer. The nose has a very high intensity of fruit of blackberries, raspberries, blackberries and black licorice, which are combined with toasted and spicy flavors typical of aging in French oak. Its entrance is very meaty and dense, very broadly. Stresses its balanced acidity, soft tannins and long aftertaste suggestive, which again show fruity and spicy notes.

Heritage, Cr.

Tasting notes: Deep cherry color with violet edges and layer high pigmented tear. A nose of good intensity with flavorings of licorice very clear, very typical of Tinto Fino grape varietal in Ribera del Duero. Notes dairy, fruit brandy, toast, vanilla, nuts, and above all, lots of fruit, with a slight touch of mineral. In mouth has a powerful with excellent acidity, tannin presents of good workmanship, we will give the wine a better texture over time. Long tour with a very fine end fruit and spices.
